

# ARE YOU LOOKING FOR A FAMILY ASSISTANT?

## THE FAMILY ASSISTANT REGISTER

collects the names of the workers who intend to offer themselves as family assistant to care and assist non self-sufficient people; it consists of a database with the aim of guaranteeing the match between supply and demand.

### SELECTED

Thorough listening and evaluating the real needs of families, profiles in the register are selected by competent staff

### COMPETENT

The selected profiles have recognized qualifications in welfare or social health field and/or specific family care experiences

### ECONOMIC SUPPORT

the Region supports frail individuals and families using family assistants registered through the granting of financial contributions.

Mestieri Lombardia Albino handles the Family Assistant Register on behalf of Municipalities of the lower, middle and upper Valle Seriana.

Families are offered an accurate service of in-depth assessment of family needs, research and selection of the most suitable candidate, one or more interview with the candidate, voucher request advice, consultancy for the activation of the employment relationship.
